

MTS/IEEE-OES OCEANS

Free K-12 Workshop

South Carolina Aquarium
Saturday, October 20, 2018
8:30 am – 3:00 pm

Ready to infuse marine technology and engineering into your classroom or after-school programs?

Open to K-12 teachers, this FREE, full-day workshop provides hands-on learning opportunities and classroom resources covering the following topics:

- Underwater robots (ROVs)
- Water quality sensors
- Harmful Algal Blooms (HABs)

Register by emailing Liesl Hotaling (lieslhotaling@yahoo.com)
The workshop is limited to the first 30 teachers who register. Continental breakfast and lunch are provided, as are certificates of participation.

Sponsored by the South Carolina Aquarium, Marine Technology Society and IEEE Oceanic Engineering Society
